HOW THIS LIST IS ORGANISED

High End — couture maisons, designer and avant-garde labels: selective distribution, high retail price points.

Premium — contemporary labels, bridge lines and premium casual.

Sport & Outdoor — performance, technical wear and sneakers.

NOTES

Diffusion lines are listed alongside their parent house where they are bought separately — Isabel Marant Étoile, MM6, Weekend Max Mara, Fear of God Essentials, Stone Island Shadow Project.

This list reflects our sourcing capability. It is not a guarantee of continuous availability, nor a claim of direct agency for any brand. Availability is confirmed per enquiry.
